

Assignment 2 Marking Criteria

Marked 42.5 / 50

Student: Vedant Marwadi

Item	Max Mark	Given Mark	Comments
Discussion 1. Discussion clearly articulates the changes that ICT policy makers face as a result of the global pandemic. 2. The discussion is supported by quality academic references.	10	8.5	<ul style="list-style-type: none">- Reasonable changes discussed and supported adequately.- Flow could be improved somewhat.
Policy Creation 1. Clearly identifies what ICT policy attributes are required in the organization. 2. Supports all policy statements with appropriate references.	30	26	<ul style="list-style-type: none">- A clear identification of policy statements- At times statements are possibly too high level for effective implementation.
Quality 1. Correct APA referencing is used, and the assignment has a reference list with correct heading. 2. Spelling and Grammar are correct and error free. 3. Discussion and Policy are of appropriate length (Discussion - approximately 600 words and Policy document approximately 4-5 pages).	10	8	<ul style="list-style-type: none">- Review spacing and full stop placement.- Some grammatical issues impact clarity
